

5001125 | Rivetor

Enjoy the efficiency of one-tool riveting. Thanks to its unique Multi-Nozzle, the RP40 MULTI Hand Riveter can be operated without nozzle changes. This means fewer interruptions and optimal results when working with any kind of sheet metal job. The RP40 MULTI is also equipped with a smart measuring control system that measures rivet dimensions and material thickness. Now you can be sure the right rivet is used in the right hole. Other features include a soft grip handle for maximum comfort, hardened metal parts for longer product life and a stylish matt black finish.
